

***Joint Declaration on Implementation of the Working Arrangement between the European Aviation Safety Agency and the State Aviation Administration of Ukraine***

The European Aviation Safety Agency (EASA) and the State Aviation Administration of the Ministry of Transport and Communications of Ukraine (SAAU) welcome the signature of the Working Arrangement on cooperation on 09 December 2009.

EASA and SAAU are ready to further intensify their cooperation and shall promptly engage in the development of implementation procedures for the certification of products, parts, appliances and organisations, as envisaged under section 4 of the Working Arrangement.

The implementation procedures shall be consistent with the principles and objectives of the Agreement on the establishment of the Common Aviation Area to be concluded between the European Community and its Member States and Ukraine.

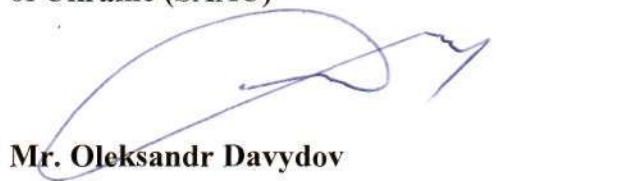

Done in Paris, in duplicate in English language on 09 December 2009.
