

## Conflict Zone Information Bulletin

**CZIB No.: 2017-02R1**

**Issued: 04 October 2017**

**Subject:                   Airspace of Libya**

### **Revision / Cancellation:**

This CZIB is revised to extend the validity.

The original issue of this CZIB replaced and cancelled EASA SIB 2014-23R1 dated 25 March 2015.

### **Affected Airspace:**

Libyan airspace, all altitudes.

### **Applicability:**

This CZIB applies to operators.

### **Description:**

This CZIB is issued on the basis of information available to EU Member States and EU institutions. Due to the hazardous security situation, with the presence of terrorist organisations and ongoing high intensity military operations, there is a HIGH risk of both intentional and unintentional attacks to civil aviation at all altitudes. Air navigation services in the country could be degraded or unavailable.

### **Recommendation(s):**

Operators should take this information and any other relevant information into account in their own risk assessments, alongside any available guidance or directions from their national authority as appropriate.

### **Validity:**

This CZIB is valid until 04 April 2018.

### **Contact(s):**

For further information contact the EASA Safety Information Section, Certification Directorate.
